

Speaker 1

Dear Elon Musk.

Speaker 2

We wanted to implore you to change your ways to benefit the climate.

Speaker 1

Everyone is aware of the incredible fortune you have earned throughout your career.

Speaker 2

We now ask you to share your wealth for the benefit of others in our world.

Speaker 1

Did you know that you could fund the entire green industrial revolution of the UK for a year just with one quarter of your wealth?

Speaker 2

Think of the effect your money could have on the world.

Just a small donation could save the planet.

Love the earth.
